MEMORANDUM FOR THE RECORD

SUBJECT: Employment Policies

1. Mr. Misler (pronounced Missler) of the Solicitor's Office, Department of Labor, called concerning the question of employment of aliens. As I understand it, Senator Taft's office has requested information on restrictions on Government employment prohibiting employment of aliens.

2. Mr. Misler said he had been informed by the United States Employment Service that CIA specified that citizens only would be employed. He wished to know if this was due to legal restrictions. I informed him that it was a matter of Agency policy. 25X1A

3. I informed [redacted] Personnel Director, of the statement concerning information from USES, and he stated that to his knowledge there wasn't any connection with that Agency and he would inquire into the basis of the statement.
